

RoboKidzCT

With a growing economy that has a higher demand for STEM fields, it's important that the next generation learns how they can make a difference in their world. That's why RoboKidzCT offer a variety of classes and workshops that kids of all ages can enjoy. Robotics classes give students the opportunity to dive deep into the world of robotics and explore how computer programming and robot design can solve problems big and small!

Ruggaroots

RUGGA ROOTS is an exciting extra mural RUGBY program, focused on growing love for RUGBY, sports and participation. Boys and girls between 3 & 13 years old are welcome to join our fun-filled and structured program. Our motto "Grassroots to Greatness" will not only apply to the sports field but also in many aspects of life, as our program will address various situations and stimulate physical growth and development.

Monkeynastix is a broad-based, holistic programme that combines creativity and music with basic training in flexibility, balance, strength, agility, co-ordination and body awareness. Our creative and engaging approach to movement encourages children to learn and develop in a fun and safe environment!
